SIME 2022

Colors, volumes and surfaces

Strategies in
Aesthetic Medicine

43rd CONGRESS

Italian Society of
Aesthetic Medicine

MAY
13th
14th
15th

17th CONGRESS

Italian Academy of
Anti-Aging Medicine

ENDORSED BY

9:00 am

Aesthetic Medicine 1

Moderators: R.M. Bozzone - Outpatient Service of Aesthetic Medicine, San Giovanni Calibita Fatebenefratelli Hospital, Roma

A. Marchionne - Outpatient Service of Aesthetic Medicine, San Giovanni Calibita Fatebenefratelli Hospital, Roma

Secretaries: L. Bartalini, F. Benedetti

Breast surgery in aesthetic and surgical cases without neoplastic pathologies in fertile age. 3 Cases

F. Pietrocarlo (Latina)

Hydrafacial: the skin that lights up

F. Lanza, S. Battaglia, S. Razzano, A. Di Maio, G. Mazzei, A. Mentone (Napoli)

A preliminary assessment of Body Dysmorphism in an Italian sample of patients requiring Aesthetic Medicine surgery

S. Calza (Milano), D. Centofanti (Roma)

Correction of Vitamin D levels and skin parameters: are they related?

I. Ferroni (Genova), D. Centofanti (Roma)

Discussion

9:45 am

The Body profile from a doctor's perspective 1

Moderators: D. Dorato - Councillor of the Italian Society of Aesthetic Medicine (SIME)

H. Subasi - Honorary President of the Turkish Society of Aesthetic Medicine (STME)

Secretary: M.L. Boccia

Hyperdiluted calcium hydroxyapatite for the treatment of the body

S. Guida (Modena)

Tips and tricks of the Brazilian Buttock

R. Amore (Livorno), F. Deriu (Sassari)

The new approach to body reshaping: HI-FEM Technology

F. Zangarelli (Città di Castello, PG)

Non-surgical reduction of the abdominal diastasis with a HIFEM device

F. Palumbo (Roma)

Skin and muscle hypotonia: various methodologies and protocols to try to obtain the best results

G. Alberti (Palermo)

Body clinical cases with Bio Stimulation Plus: TCA-H2O2 combined

N. Ribé Subira (Barcellona, Spagna)

Discussion

10:45 am

News in Aesthetic Medicine 1

Moderators: A. Beatin - Italian Society of Aesthetic Medicine (SIME) - Interregional Coordinator for Central Italy

M. Cogliano - International School of Aesthetic Medicine of the Fatebenefratelli Foundation, Roma

A. Vivenzio - Councillor of the Italian Society of Aesthetic Medicine (SIME)

Secretaries: L. M. Apollini, A. Bidoli

Facial Rejuvenation Fibroblast study

P. Humbert (Besançon, Francia)

Prospective and randomized comparative study of calcium hydroxyapatite versus calcium hydroxyapatite plus Hifu in the treatment of moderate to severe acne scars

F. Araco (Roma)

OxiFree™ technology: the new filler produced in an inert atmosphere for a greater level of projection and effectiveness over time

F. Marchetti (Roma)

Clinical evaluation of the safety and performance of a novel hyaluronic acid filler in correction of mid-face age-related volume deficit

G. Salvi (Firenze)

Ialobilayer-Tech: a new formulation of injectables for the treatment of skin aging

S. Vari (Anagni, FR)

New HCC for the body: an innovative hyaluronic acid with a bio-remodeling action based on stable cooperative complexes with high and low molecular weight for the skin laxity of the inner arms

R. Dell'Avanzato (Milano)

New generation Soft-Filler: Bio-Collagen

M. Piludu (Cagliari)

Evaluation of the efficacy, safety and satisfaction level of a new hyaluronic acid-based filler: clinical study

A. Franceschelli, A. Lusi (Roma), I. Zollino (Ferrara)

Discussion

1:00 pm

43rd SIME Congress – 17th AIMAA Congress - Opening Ceremony

Participants: E. Bartoletti, E. Bunar, D. Centofanti, A. Ignaciuk, A. Magi, M. Rizzotti, F. Romanelli, F. Strollo, H. Subasi, G. Trocchi

Secretary: A. Cacciatore

2:30 pm

Panel Discussion: my best result, my worst result, my most difficult complication

Moderators: E. Bartoletti - President of the Italian Society of Aesthetic Medicine (SIME)

A. Ignaciuk - President of the Polish Society of Aesthetic Medicine and Anti-Aging (PTMEiAA)

Secretary: A.G. Pecoraro

Participants: **F. Fanian** (Parigi, Francia), **G. Siquier** (Badheverdorp, Olanda), **P. Trévidic** (Parigi, Francia), **V. Chatrath** (Nuova Delhi, India)

Discussion

3:30 pm

Adverse events and complications in Aesthetic Medicine, from diagnosis to treatment 2

Moderators: JJ. Deutsch - Secretary General of the French Society of Aesthetic Medicine (SFME)

L. Pirrotta - Departement of Allergy and Clinical, IDI - Dermopathic Institute of the Immaculate Conception, Roma

G. Trocchi - Vice-president of the Italian Society of Aesthetic Medicine (SIME)

Secretaries: F. Celi, M. Conese

Complication in Aesthetic Medicine: when do they really occur?

E. Mastroluca (Roma)

Adverse events of botulinum toxin A in facial rejuvenation: classification, prevention and treatment

G. Sito (Napoli)

The importance of the pre- and post-treatment ultrasound with PDO threads in Aesthetic Medicine: from the anatomical study to the solution of any complications

M. Piludu (Cagliari)

Prevention and current management of complications after the placement of tensor threads to treat the sagging face

J.J. Deutsch (Parigi, Francia)

PLUS Technique using stem cells and PRP on vascular occlusion necrosis

P. Treacy (Dublino, Irlanda)

Discussion

4:30 pm

CISSME updates

Participants: **E. Bartoletti** - President of the Italian Society of Aesthetic Medicine - (SIME)

A. Massirone - President of the Italian Scientific Society of Medicine in the Aesthetic Field - AGORÀ

M. Priori - President of the Italian Society of Aesthetic and Surgical Medicine - (SIES)

4:50 pm

How I do it: superior orbital region

Moderators: **C. Di Gregorio** - Coordinator of Aesthetic Medicine and Surgery Study Group - Italian Society of Aesthetic Medicine (SIME)

P. Humbert - Director of the Department of Dermatology at the University Hospital of Besançon, Francia

N. Scuderi - Former Director of the Specializing School in Reconstructive Aesthetic Plastic Surgery, Sapienza University of Roma

Secretary: **C. Cervelli**

The Eye threads technique with cannula PDO threads or a double needle

A. Habiba (Emirati Arabi Uniti)

The Straight eyebrow female and the upwards correction of the outer corner of the eye with toxin and threads in PDO

R. Perna, A. Perna (Napoli)

Hunter Eyes

C. Graziani (Torino)

Surgery for the superior orbital region, treatment according to Castagnares

C. Bernardi (Roma)

Medical and Surgical Treatment of the eyebrow

L. Piovano (Roma)

The temples in the aesthetics of the gaze

E. Mastroluca (Roma)

Discussion

6:20 pm

Therapeutic Synergies in Aesthetic Medicine 2

Moderators: **F.R. Grippaudo** - Professor of Plastic Surgery, Sapienza University of Roma

N. Zerman - Italian Society of Aesthetic Medicine (SIME) - Coordinator for Veneto

Secretary: **G.S. Canfarelli**

Beauty as psychophysical and aesthetic harmony. Combined techniques and case report

A.M. Veronesi (Pavia)

Therapeutic strategies uncommon facial areas

G. Sito (Napoli)

Regenerative therapy and hyaluronic acid filler: our study for new promising protocols for antiaging treatments

A. Gennai (Bologna)

Neuromodulation and hyaluronic acid in face aging: innovation in a consolidated approach

M. Belmontesi (Vigevano, PV)

Personal experience with Poly-L-lactic acid: why integrate it into your clinical practice

A. Margara (Torino)

Skin quality improvement in 6 different skin biotypes: my personal experience with an outpatient program and a patient-specific at home service

E. Massidda (Cagliari)

Discussion

9:00 am

Focusing on Acne in Aesthetic Medicine – treatment updates

Moderators: F. Bini - Coordinator of Photodynamic Therapy in Aesthetic Medicine Study Group - Italian Society of Aesthetic Medicine (SIME)

L. Pluzarev - Italian Society of Aesthetic Medicine (SIME) - Coordinator for Trentino Alto Adige

Secretary: I. Fusto

Preliminary results of a new laser device in the management of acne

I. Proietti (Terracina, LT)

Post-acne scars: the synergy with pure and enriched hyaluronic acid for a result on full-thickness skin

A. Perna, R. Perna (Napoli)

Multidisciplinary protocol in the treatment of patients with mild, moderate acne

A. Baroni (Empoli, FI)

A multimodal approach to face acne: a personal clinic road map

M. Conese, A. Logroscino (Bari)

Combined protocol for the treatment of acne scars with a minimally invasive technique

V. Ghironi (Cecina, LI)

Acne in adult women: which needs require which treatments?

E. Cinelli (Milano)

FLE: In acne therapy with and without the use of dynamic peeling: 5 years of experience

P. Tarantino (Milano)

Discussion

10:20 am

"Ageing" in the future of Aesthetic Medicine

Moderators: A Franceschelli - Outpatient Service of Aesthetic Medicine, San Giovanni Calibita Fatebenefratelli Hospital, Roma

L. Piombino - Specialist in Nutritional Science, Professor at the University of Campania Luigi Vanvitelli, Caserta

Secretary: F. Campioni

Aging in the clinic: the geriatrician's opinion

V.M. Magro (Napoli)

Quercetin prescription in the elderly population: a survey in the setting of general medicine. The opinion of the doctor specialized in geriatrics

V.M. Magro, A. Errico (Napoli)

Quercetin prescription in the elderly population: a survey in the setting of general medicine. The opinion of the nutrition expert biologist

A. Errico, V.M. Magro (Napoli)

Skin microbiota and skin aging: different points of view

M. De Pascalis (Lecce), D. Centofanti (Roma)

Discussion

11:10 am

Aesthetic Medicine 2

Moderators: A. Giovannetti - International School of Aesthetic Medicine of the Fatebenefratelli Foundation, Roma

A. Servili - President of the Aesthetic Physician Union (TME)

Secretary: P. Bastianelli

Psychosomatic disorders in clinical psychology

M. Malucelli (Roma)

Dysmorphophobia: the tyranny of perfection

E. Vescovi (Vasto, CH), M. Mancini (Chieti)

Aesthetic dysmorphophobia, a four-handed approach

E. Vescovi (Vasto, CH)

The microbiota of the oral cavity and inflammageing

A. Possenti (Roma)

Liability of the Dentist in aesthetic medecine: up to date after the "2019 CSS (Health Council) opinion". War or synergy?

F. Spatafora (Palermo)

TCA modulated with hydrogen peroxide for the acute periodontal disease: aesthetic results on color shape and volume of the gum

N. Zerman (Verona), G. Mauro (Mantova), R. De Manzoni

33% TCA modulated with H2O2 and systemic nutritional therapy for skin relaxation of the face in the over 60

M.G. Di Russo (Formia, LT)

Discussion

1:00 pm

Opening Ceremony in C.A. Bartoletti Room

3:00 pm

Covid: Clinical experiences in Aesthetic Medicine

Moderators: C. Giorgio - Italian Society of Aesthetic Medicine (SIME) - Interregional Coordinator for South Italy

E. Vescovi - International School of Aesthetic Medicine of the Fatebenefratelli Foundation, Roma

Secretary: R. Golini

An ageing population during Covid

R. Cagiano De Azevedo, C. Castagnaro (Roma)

Covid, vaxine and dermatological complications in Aesthetic Medicine

M. Cavallini (Milano)

Facial skin blemishes associated with the use of the face mask during COVID-19: advantages of using soft peeling based on mandelic acid to avoid the evolution of dermatoses

E. Guarino, R. Pelliccia (Roma)

Maskne: Novel home-based actives routine to counteract this new coming skin concern

E. Ferrari (Limassol, Cipro)

Motivations and the psychological impact of remote communication and cosmetic surgery on the rise

R. H. Padley, B. Di Pace (Salerno)

Discussion

4:00 pm

Medical prescription for physical activity

Moderators: F. Pigozzi - Full Professor of Internal Medicine - Deputy Rector - University of Roma "Foro Italico"

V. Santilli - Full Professor of Physical and Rehabilitative Medicine - Sapienza University of Roma

Secretaries: L. Ferro, S. Marchese

Introducing the session from the physiologist's point of view

M. Sacchetti (Roma)

The Youthful age and the restoration of balance in the presence of body disharmonies

F. Agostini (Firenze)

Sports, physical activity and movement for middle age patients

M. De Angelis (L'Aquila)

Pathology and movement in the third age

V. Santilli (Roma)

Discussion

5:00 pm

Sexuality, ageing and Aesthetic Medicine

Moderators: **D. Caserta** - Full Professor of the Graduate School of Gynecology and Obstetrics - Sapienza University of Roma
F. Romanelli - Vice-President of the Italian Academy of Anti-Aging Medicine (AIMAA), Department of Experimental Medicine, Sapienza University of Roma
Secretary: **C. Longo**

The Gynecologist's point of view

D. Caserta (Roma)

The Andrologist's point of view

Francesco Lombardo (Roma)

The Sexologist's point of view

R. Rossi (Roma)

Discussion

5:45 pm

Lasers & Energy-Based Devices 1

Moderators: **R. Di Maggio** - Outpatient Service of Aesthetic Medicine, San Giovanni Calibita Fatebenefratelli Hospital, Roma
G. Russo - President of the Italian Society of Non Ablative Radiofrequency (SIRNA)
Secretary: **G. Lotti**

Microfocused ultrasound with a visualization system: the best non-surgical full-face lifting

R. Dell'Avanzato (Milano)

The endodermal radio frequency S.I.H. Technology (Subdermal Induced Heat Technology): anatomical safety and clinical effectiveness

G. Maullu, A. Pirino (Sassari)

Synergistic treatment with 33% trichloroacetic acid modulated with hydrogen peroxide combined with fractional intradermal radiofrequency on face and body ageing signs

S. Belletti (Milano)

Dealing with neck volume imperfections

S. Scevola, A. Faga, G. Nicoletti (Pavia)

Many devices with thermal action can suffer DNA damage and cell death, an active thermal effect occurs in the cells surrounding the treated ones: The Spectator effect

D. Amuso (Modena)

Skin patting associated with drug delivery in the treatment of the scars

S. Toschi (Venezia)

Total skin face resurfacing with J-Plasma Renuvion

D. Martusciello (Napoli)

Photodynamic therapy and microneedling: a combined technique for the global rejuvenation of the face

C. Scacciati (Firenze), Fabrizio Lombardo (Roma), G. Menchini (Pisa)

Discussion

9:00 am

Trichology: Consolidated experiences and innovative therapies

Moderators: A. Rossi - Associate Professor, Dermatological Clinic, Sapienza University of Roma

M. Secchi - Professor at the International School of Aesthetic Medicine of the Fatebenefratelli Foundation, Roma

Secretary: L. Micucci

New advances in the treatment of Androgenetic Alopecia: synergistic use of Autologous Regenerative Therapy T.A.R. and last generation Energy Device

B. Bovani (Perugia)

Treatments in alopecia areata: our clinical experience

C. Fasulo, M. Iannone (Battipaglia, SA)

The role of carboxytherapy in the treatment of alopecia: my combined therapy protocol with polydeoxynucleotides

C. Brandi (Siena)

Finasteride. An Effective and safe therapy... and therefore scary

A. Soverina (Catanzaro)

Autologous Regenerative Therapy in Hair Thinning: an Italian multicenter study that lasted over a year

F. Melfa (Palermo)

The Infranatant Portion of the Microfragmented Adipose Tissue: A Promising Source of SVF for the Management of Androgenetic Alopecia

A. Gennai (Bologna), **P. Tesauro** (Milano)

Hair transplant, the absolute new: I.H.T. Technology (Integral Hair Transplant)

G. Maullu, A. Pirino (Sassari)

Automatic hair implant 4.0

R. Dell'Avanzato (Milano)

Different tricopigmentation techniques for the treatment of patients with alopecia

T. Belfatto (Casoli, CH)

The use of micropatting and the iontophoresis technique for scalp diseases

M. Starace (Bologna)

Discussion

11:00 am

Trichology: SITri updates

Moderators: D. Campo - Coordinator of Trichology and Skin Appendages in Aesthetic Medicine Study Group - Italian Society of Aesthetic Medicine (SIME)

A. Marliani - Founder President of the Italian Society of Trichology (SITri)

Secretaries: P. Noccioli, F. Occhicone

Frontal fibrosing alopecia: Atypical cases

A. Marlian (Firenze)

Erosive pustular dermatosis of the Scalp

A. Marliani (Firenze)

Trichotillomania

A. Marliani (Firenze)

Hoffman's Dissecting cellulitis of the scalp. Perifolliculitis capitis abscedens et suffodiens

A. Marliani (Firenze)

COVID-19: its impact on the hair follicle

A. Rossi (Roma)

Lichen Planopilaris in outpatient practice

F. Bini (Firenze)

Dysmorphophobia in trichology*E. Bianchi (Bologna)***Updates on the use of Cetirizine for the treatment of Androgenetic Alopecia***D. Campo (Roma)*

Discussion

1:00 pm

Opening Ceremony in C.A. Bartoletti Room

2:30 pm

Nutraceuticals in Aesthetic Medicine: focusing on mitochondrial trophysms and inflammaging (SiFNUT)*Moderators: A. Colletti - Department of Pharmaceutical Science and Technology, University of Torino**A. Fratter - Nutraceutical and Skin Care products Researcher, President of the Italian Society Nutraceutical Formulators (SiFNUT)**Secretaries: T.M. Giacomuzzi, V. Giarrusso***Beauty from inside: can beauty really be "nourished"?***M. Pellizzato (Treviso)***Vitis Vinifera extracts in anti-ageing nutraceuticals and cosmeceuticals***A. Martelli (Pisa)***How The Citrus flavonoid naringenin, through a mitochondriotropic activity, slows down skin ageing***L. Testai (Pisa)***The "In-out" treatment with coenzyme Q10 and how it benefits the skin***A. Colletti (Torino)*

Discussion

3:30 pm

Ideal models of care: Aesthetic Medicine in the Breast Unit*Moderators: L. Cavalieri - Councillor of the Italian Society of Aesthetic Medicine (SIME)**N. Felici - Director of the UOC Reconstructive Surgery of the Arts - Regional Center - Interim Director of the UOC Plastic and Reconstructive Surgery, San Camillo Forlanini Hospital, Roma**Secretary: G. Mammetti***What is a Breast Unit and the patient care pathway***F. Di Cesare (Roma)***The reconstructive possibilities***L. Cavalieri, N. Felici (Roma)***The importance of nutrition in oncology***V. Rossi (Roma)***The role of the Aesthetic Doctor in the Breast Unit (support during chemo and radiotherapy treatments)***G. Trocchi, A. Petrone (Roma)***Silicone external prosthesis of the areola-nipple complex***E. Orsini (Roma)***Breast areola reconstruction: the color that makes the difference***G. Assalti (Roma)*

Discussion

5:00 pm

Presentation of the theses of the EFAMS Italian schools of Aesthetic Medicine

Moderators: E. Bartoletti - President of the Italian Society of Aesthetic Medicine (SIME)

A. Massirone - President of the Italian Scientific Society of Medicine in the Aesthetic Field - AGORÀ

Secretary: S. Mossa

Feasibility study of an Aesthetic Medicine service in a hospital setting

R.A. Cocchiara, L. Cavalieri, E. Bartoletti (Roma)

Clinical and ultrasound evaluation of the role of carboxytheraph in a monocentric cohort of female patients affected by lipedema following a ketogenic diet regimen

V.A. Pacucci, C. Scirocco, D. Centofanti, L. Di Renzo, E. Bartoletti (Roma)

The mouth between art and aesthetics, a global approach and implantation techniques

M. Enzani (Genova), A. Massirone (Milano), M. Mariotti (Cremona)

Therapeutic synergy with specific hyaluronic acid and TCA 33% modulated with H2O2 for the treatment of skin aging: focusing on the barcode in static and dynamic circumstances. My experience

S. Saccani (Reggio Emilia), A. Massirone (Milano), M. Mariotti (Cremona)

Protective face mask-induced skin disorders and skincare routine changes during the COVID-19 pandemic through a self-questionnaire

S. Robuffo (Bologna), D. Centofanti, E. Bartoletti (Roma)

Discussion

6:10 pm

Presentation of the results of the winning scientific studies of the SIME call for clinical research

Moderators: F. Romanelli - Vice-President of the Italian Academy of Anti-Aging Medicine (AIMAA), Department of Sperimental Medicine, Sapienza University of Roma

A. Vivenzio - Councillor of the Italian Society of Aesthetic Medicine (SIME)

Secretary: G. De Giorgio

GRACE DRAFT (the Germ Role in Atopic Community Experiment)

E. Mattera, R. Sorbo (Napoli)

Face rejuvenation with Carboxytherapy and Collagen Shaping: a split-face comparative study

D. Feleppa (Roma)

Discussion

9:15 am

Focus on: hands

Moderators: K. Antoniadou - Probo Viro of the Italian Society of Aesthetic Medicine (SIME)

L. Cavalieri - Councillor of the Italian Society of Aesthetic Medicine (SIME)

Secretaries: C. Di Capua, R. Filippone

Hand rejuvenation with Calcium Hydroxyapatite: not just filling

E. Bartoletti (Roma)

Non-conventional areas, hands and feet: dermorestructuring and dynamic fillers

M.G. Di Russo (Formia, LT)

Regenerative medicine in hand ageing

P.R. Russo, K. Siviero (Modena)

Discussion

10:15 am

Adverse events and complications in Aesthetic Medicine, from diagnosis to treatment

Moderators: K. Caccamo - Italian Society of Aesthetic Medicine (SIME) - Coordinator for Sicilia

M. Cavallini - Vice-president of the Italian Society of Aesthetic Medicine and Surgery (SIES)

Secretary: D. Foti

Database report of filler Complications related to the Clinic of Aesthetic Medicine of the hospital San Giovanni Calibita Fatebenefratelli

T.M. Giacomuzzi, G. Trocchi (Roma)

Personal experience in the prevention and management of complications in Aesthetic Medicine

A. Cordovana, V. Degnoni (Milano)

Needle-free fillers. Today in Italy. Risks for patients due to treatments performed by non-doctors

A. Servili, E. Betti (Pisa)

Medical dermal filler procedures pre-questionnaire

L. Pirrotta, F.R. Grippaudo, G. Trocchi (Roma)

Hyaluronic acid filler: early diagnosis and optimal management of vascular complications

S. Savaia (Genova)

Involuntary contractions of the glabellar and forehead muscles after treatment with botulinum toxin

V. Ghironi (Cecina, LI)

Discussion

11:30 am

A shiny, dull or bright face

Moderators: N. Fraone - Secretary General of the Italian Society of Aesthetic Medicine (SIME)

M. Secchi - Professor at the International School of Aesthetic Medicine of the Fatebenefratelli Foundation, Roma

Secretary: F. Pappagallo

Skin biotypes and adequate cosmetics. Introducing this session

E. Bianchi (Bologna)

Adapting chemical peels to skin face types

G. Alessandrini (Ugento, LE)

The use of Botulinum Toxin

G. Dalla Costa (Padova)

Dermocosmetic masks to illuminating facial skin

M. Belmontesi (Vigevano, PV)

Discussion

1:00 pm

Opening Ceremony in C.A. Bartoletti Room

2:30 pm

Panel discussion: late acne

Moderators: *E. Fulgione - Treasurer of the Italian Society of Aesthetic Medicine (SIME)*

F. Romanelli - Associate Professor, Department of Sperimental Medicine, Sapienza University of Roma

Secretaries: *A. Salerno, M.P. Scanu*

The Endocrinologist's point of view

F. Strollo (Roma)

The Dermatologist's point of view

F. Farnetani (Modena)

The Aesthetic Doctor's point of view

C. Scharf Pinto (Napoli)

The Cosmetics

U. Borellini (Milano)

Diet and Supplements

L. Di Renzo (Roma)

Discussion

3:30 pm

Early Menopause: implications in Aesthetic Medicine

Moderators: *A. Calisti - Italian Society of Aesthetic Medicine (SIME) - Coordinator for Lazio*

A. Lusi - Coordinator of Aesthetic Medicine of external genitalia Study Group - Italian Society of Aesthetic Medicine (SIME)

A. Panico - International School of Aesthetic Medicine of the Fatebenefratelli Foundation, Roma

Secretary: *P. Vessichelli*

Early menopause, implications in Aesthetic Medicine: epidemiology and predictability

C. Bracchi, A. Lusi (Roma)

Bioidentical hormones: BHRT

M. Trombetti (Roma)

Skin and Menopause

E. Fulgione (Napoli)

The Algorythm for early menopause

P. Mishra (Delhi, India)

Aesthetic Medicine of the vulvo-vaginal area

P. Mishra (Delhi, India)

Up to date on the hormonal-based and simil-hormonal topic therapy

A. Fratter (Treviso)

Menopause and skin: innovations in cosmeceuticals

G. Viglione (Benevento)

Discussion

4:50 pm

Tattoos and Aesthetic Medicine

Moderators: **M. Malucelli** - Professor at the International School of Aesthetic Medicine of the Fatebenefratelli Foundation, Roma
A. Pacifici, President of the Italian Association of High Technology in Medicine (AMI HI-TECH)
A. Tammaro - Associate Professor of Medicine and Surgery Faculty, Sapienza University of Rome, Sant'Andrea Hospital, Roma
Secretaries: **B. Grella**, **A. Lo Presti**

PICO versus QS. Myths and truths. My personal experience

M. Vitale (Bologna)

Laser tattoo removal: details

P. Boriolo (Gattico-Veruno, NO)

Cosmetic tattoos. Review and personal experience

M. Vitale (Bologna)

Reconstructive dermopigmentation of the nipple areola complex: approaching the patient

T. Belfatto (Casoli, CH)

Discussion

5:40 pm

Colors in Dermatology: Updates in Dermatology and Aesthetic Medicine

Moderators: **A. Tammaro** - Associate Professor of Medicine and Surgery Faculty, Sapienza University of Rome, Sant'Andrea Hospital, Roma
A. Trischitta - Surgeon, Specialist in Dermatology, Napoli
Secretary: **C. Guarneri**

Tattoo removal today: everything you need to know

A. Pacifici, **A. Oddo**, **A. Damiani**, **A. Pieri** (Perugia)

Surgical treatment in tattoo complications

F. Luzi (Roma)

The right to beauty: the use of toxic colors in the light of the recent legislation

C. Tammaro (Napoli)

The safety of tattoos: the national and European regulatory framework

A. Pirrera (Roma)

Post-COVID-19 nail manifestations

G. De Marco (Roma)

The association between COVID-19 and smoking

A. Pezzuto (Roma)

COVID-19 and mucous membranes

G. A. Adebanojo (Roma)

Treatment of hypopigmentation with the plasma method

G. Fatuzzo (Roma)

Microneedling and transdermal delivery as treatments in association with fillers

M. Pezza (Benevento)

50 shades of... full lips

G. Assalti (Roma)

The RC face project: advanced full face approach, between aesthetics and health

R. Casilli (Roma)

Photodynamic therapy with visible light

C. Cantisani (Roma)

FRIDAY 13th

S. MAGGIORI

▲ LOBBY LEVEL

Camouflage in medical dermatology

F. Farnetani (Modena)

Skin and sun: allies or worst enemies?

C. Chello (Roma)

Discussion

9:00 am

Biostimulation and Biostructuring, real therapeutic possibilities of aging

Moderators: G.M. Izzo - Dermatologist, Naples

L. Nazzaro - Outpatient Service of Aesthetic Medicine, San Giovanni Calibita Fatebenefratelli Hospital, Roma

G. Viglione - International School of Aesthetic Medicine of the Fatebenefratelli Foundation, Roma

Secretary: M.S. Marzano

88 Protocol: Hyaluronic acid and polynucleoids protagonists in the rejuvenation of the face and neck in just 2 sessions

P. Tarantino (Milano)

3D remodeling

S. Vari (Anagni, FR)

Texture Lifting - Techniques and prospects for use

M. Enzani, E. Ponte (Genova), A. Minio (Palermo)

Biobotulinum protocol: a clinical evaluation of intradermal injections of a Botulinum Toxin type-A solution added to a cocktail with Hyaluronic Acid in a specific molecular weight and targeting aminoacids as an aging treatment

M. Basso (Genova), E. Di Lella (Roma)

A New approach to the treatment of the upper 3rd of the face: crosslinked hyaluronic acid association with a biorevitalizing complex and an intradermal device

N. Di Zitti (Roma)

Polynucleotides-Highly Purified Technology (PN-HPT®) for the rejuvenation of the middle third facial sector

C. De Luca (Cassino)

Full-thickness skin and microneedling: the treatment with the "double layer" HA for the recovery of skin hydration and elasticity

D. De Rossi (Padova)

Face biostimulation with a dedicated device: personal protocol and results

V. Degnoni, A. Cordovana (Milano)

Gradual skin rejuvenation with the use of Poly-L-lactic Acid

E. Massidda (Cagliari)

Skin awakening: a new generation booster in a combined protocol

E. Torre (Piacenza)

Prospective split face study on the clinical efficacy and safety of the combination of polydeoxyribonucleotide and crosslinked Hyaluronic Acid therapies

A. Araco (Camerino, MC)

Discussion

11:00 am

From the extracellular matrix to the microenvironment of cellulite. Clinical implications and future perspectives

Moderators: D. Amuso - Surgeon, Specialist in General Surgery and Sports Medicine, Modena

A. Sbarbati - Full Professor of Anatomy and Histology, Department of Neurological, Biomedical and Movement Sciences, University of Verona

G. Scapagnini - Full Professor of Clinical Nutrition, Department of Medicine and Health Sciences, University of Molise

Secretary: S. Lobefaro

Cellulite today: a review

D. Amuso (Modena)

Role of collagenase in the remodeling of the extracellular matrix (ECM): presumed activity and clinical implications. Data from an observational study

R. Amore (Livorno)

Does the cosmetic fight or hide cellulite?

G. Caccia (Ferrara)

The emerging biological roles of skin fibroblasts. The potential impact on cellulite
E.L. Iorio (Salerno)

A histological look at cellulite in seventy patients who differ in BMI and cellulite grading
A. Scarano (Chieti, Pescara)

Cellulite, Nutraceuticals and Biophotonics. Heading towards an integrated approach
G. Scapagnini (Campobasso)

Molecular targets in the treatment of cellulite
A. Sbarbati (Verona)

Discussion

01:00 pm Opening Ceremony in C.A. Bartoletti Room

3:05 pm Instrumental measurements: objectifying the results

Moderators: G. Argenziano - Full Professor in Dermatology, Dermatological Clinic, University of Campania "Luigi Vanvitelli"

N. Fraone - Secretary General of the Italian Society of Aesthetic Medicine (SIME)

Secretary: A. Panetta

Dermoscopy in no-tumor lesions
G. Argenziano (Napoli)

Confocal microscopy in non-tumor lesions
G. Pellacani (Roma)

Optical super high magnification dermoscopy before and after the periocular area treatment
F. Cicero (Messina)

The importance of an instrumental assessment in aesthetic medicine
M. Renga (Milano)

Digital picture VS 3D Image: How three-dimensional photography has revolutionized my clinical practice
M. Vitale (Bologna)

Discussion

4:15 pm Filler: up to dates upon indication, technique and result 1

Moderators: A. Alessandrini - Professor at the International School of Aesthetic Medicine of the Fatebenefratelli Foundation, Roma

A. Camporese - Professor at the International School of Aesthetic Medicine of the Fatebenefratelli Foundation, Roma

Secretaries: D. Ficco, D. Vitale

Needle or cannula? Anatomy of a journey through arteries, ligaments, fat pads and injections planes
L. Mazzi (Verona)
